

Half Day Trip

Chiang Mai History Tour

June 15, 2019

Chiang Mai city is one of the ancient civilizations of Thailand. It was the capital center of Lan Na Kingdom which was found in 1,296 A.D. Long lasting history and the blending of various ethnic peoples living in Chiang Mai had created plentiful and beautiful architecture and artistic works. Lot of temples in the city hall are waiting for your aesthetic visit and touch the uniqueness of Chiang Mai. Participants will be introduced to the Chiang Man temple, the first and the oldest temple in Chiang Mai, where the ancient history of Lan Na is recorded by wall painting. Then, we will bring you to the scenic and different styles of temples around the city, such as the biggest pagoda in Lan Na, white royal cemetery, forest-style dhamma retreat etc. Amazing and joyful through Chiang Mai history and culture will be discovered within this program!!
